

# LIGHT ONE LITTLE CANDLE

**T**he Light One Little Candle Program provides new children's books to adult cancer patients who want to connect with their children through reading.

**T**hrough a partnership of The Dana-Farber Cancer Institute and the Light One Little Candle Foundation, books are available to adult cancer patients and their families at no cost.

**P**atients are entitled to one book per child.

**T**hese children's books are located in the **Blum Resource Room** at Dana-Farber Cancer Institute, in the **Kessler Library** at Brigham and Women's Hospital, and with DFCI Social Workers at Milford Regional Medical Center, New Hampshire Hematology-Oncology in Londonderry, NH and South Shore Hospital in Weymouth.

For more information about the Light One Little Candle program, or to support its mission, please call 617-632-4235.
